FINDING

There being a finding of **GUILTY**, defendant has been convicted as charged of the offense(s) of:**Wire Fraud, in violation of 18 U.S.C. § 1343, as charged in Count one of the Information.**

**JUDGMENT
AND PROB/
COMM
ORDER**

The Court asked whether there was any reason why judgment should not be pronounced. Because no sufficient cause to the contrary was shown, or appeared to the Court, the Court adjudged the defendant guilty as charged and convicted and ordered that: **Pursuant to the Sentencing Reform Act of 1984, it is the judgment of the Court that the defendant, David Ozer, is hereby committed on Count 1 of the Information in Docket No. 24CR00463 and Count 1 of the Information in Docket No. 24CR00739 to the custody of the Bureau of Prisons for a term of 18 months, all to be served concurrently.**

Upon release from imprisonment, the defendant shall be placed on supervised release for a term of **two years**. This term consists of two years on Count 1 of the Information in Docket No. 24CR00463 and two years on Count 1 of the Information in Docket No. 24CR00739, all such terms to run concurrently under the following terms and conditions:

1. The defendant shall comply with the rules and regulations of the United States Probation & Pretrial Services Office and Second Amended General Order 20- 04.
2. During the period of community supervision, the defendant shall pay the special assessment and restitution in accordance with this judgment's orders pertaining to such payment.
3. The defendant shall not obtain or possess any driver's license, Social Security number, birth certificate, passport or any other form of identification in any name, other than the defendant's true legal name, nor shall the defendant use, any name other than the defendant's true legal name without the prior written approval of the Probation Officer.
4. The defendant shall cooperate in the collection of a DNA sample from the defendant.
5. The defendant shall apply all monies received from income tax refunds, lottery winnings, inheritance, judgments and any other financial gains to the Court ordered financial obligation
6. The defendant shall submit the defendant's person, property, house, residence, vehicle, papers, computers, cell phones, other electronic communications or data storage devices or media, email accounts, social media accounts, cloud storage accounts, or other areas under the defendant's control, to a search conducted by a United States Probation Officer or law enforcement officer. Failure to submit to a search may be grounds for revocation. The defendant shall warn any other occupants that the premises may be subject to searches pursuant to this condition. Any search pursuant to this condition will be conducted at a reasonable time and in a reasonable manner upon reasonable suspicion that the defendant has violated a condition of his supervision and that the areas to be searched contain evidence of this violation.

USA vs. David Ozer

Docket No.: 2:24-cr-00463-SB

7. The defendant shall participate in mental health treatment, which may include evaluation and counseling, until discharged from the program by the treatment provider, with the approval of the Probation Officer.
8. As directed by the Probation Officer, the defendant shall pay all or part of the costs of the Court-ordered treatment to the aftercare contractors during the period of community supervision. The defendant shall provide payment and proof of payment as directed by the Probation Officer. If the defendant has no ability to pay, no payment shall be required.
9. The defendant shall not be employed in any capacity wherein the defendant has custody, control, or management of the defendant's employer's funds.

The drug testing condition mandated by statute is suspended based on the Court's determination that the defendant poses a low risk of future substance abuse.

The Court authorizes the Probation Officer to disclose the Presentence Report, and any previous mental health evaluations or reports, to the treatment provider. The treatment provider may provide information (excluding the Presentence report), to State or local social service agencies (such as the State of California, Department of Social Service), for the purpose of the client's rehabilitation.

It is further ordered that the defendant surrender himself to the institution designated by the Bureau of Prisons at or before 12 p.m. on July 14, 2025. In the absence of such designation, the defendant shall report on or before the same date and time to the United States Marshal located at the First Street U.S. Courthouse 350 W. First Street, Suite 3001, Los Angeles, CA 90012.

It is ordered that the defendant shall pay to the United States a special assessment of \$200, which is due immediately. Any unpaid balance shall be due during the period of imprisonment, at the rate of not less than \$25 per quarter, and pursuant to the Bureau of Prisons' Inmate Financial Responsibility Program.

It is ordered that the defendant shall pay restitution in the total amount of \$399,344.52 pursuant to 18 U.S.C. § 3663A.

The amount of restitution ordered shall be paid as follows:

| <u>Victims</u> | <u>Amount</u> |
|----------------|---------------|
| CNA Insurance | \$214,486.00 |
| Ro. R. | \$62,500 |
| C.C. | \$11,900 |
| Ri.R. | \$85,858.52 |
| T.A. | \$20,000 |
| S.W. | \$4,600 |

The Court finds from a consideration of the record that the defendant's economic circumstances allow for restitution payments pursuant to the following schedule: A partial payment of \$10,000 shall be paid within 30 days of today's date. The balance shall be due during the period of imprisonment, at the rate of not less than \$25 per quarter, and pursuant to the Bureau of Prisons' Inmate Financial Responsibility Program. If any amount of the restitution remains unpaid after release from custody, monthly payments of at least 10% of defendant's gross monthly income but not less than \$1,000, whichever is greater, shall be made during the period of supervised release. These payments shall begin 90 days after the commencement of supervision.

If the defendant makes a partial payment, each payee shall receive approximately proportional payment unless another priority order or percentage payment is specified in the judgment.

Pursuant to 18 U.S.C. § 3612(f)(3)(A), interest on the restitution ordered is waived because the defendant does not have the ability to pay interest. Payments may be subject to penalties for default and delinquency pursuant to 18 U.S.C. § 3612(g).

Pursuant to Guideline § 5E1.2(a), all fines are waived as the Court finds that the defendant has established that is unable to pay and is not likely to become able to pay any fine.

The Court recommends that the Bureau of Prisons conduct a mental health evaluation of the defendant and provide all necessary treatment.

Defendant informed of his right to appeal.

On the Government's motion, all remaining counts of the underlying Information are ordered dismissed.

USA vs. David Ozer

Docket No.: 2:24-cr-00463-SB

Bond is exonerated upon surrender.

The Court recommends that prior to his surrender date of July 14, 2025, the Bureau of Prisons designate the defendant to a community corrections facility to facilitate outside employment, or to the Satellite Camp at Otisville until such time as a community corrections facility is available.

In addition to the special conditions of supervision imposed above, it is hereby ordered that the Standard Conditions of Probation and Supervised Release within this judgment be imposed. The Court may change the conditions of supervision, reduce or extend the period of supervision, and at any time during the supervision period or within the maximum period permitted by law, may issue a warrant and revoke supervision for a violation occurring during the supervision period.
